**CASA of Ocean County** is a 501c3 nonprofit that trains Court Appointed Special Advocates (CASA) to be a voice for the abused, neglected and abandoned children in foster care within Ocean County. With more than 700 children in Ocean County's foster care system, the need for CASA volunteers continues to grow at an alarming pace. Our volunteers work one-on-one with an abused or neglected child, advocating for his or her best interests. They "speak up" for these children making sure they are safe and well-cared for, are getting the services they need, and are placed in a permanent, safe, nurturing home as quickly as possible.
